

## **Town of Rolesville Facility Use Request**

The Town of Rolesville has several facilities that may be reserved and used for non-governmental events. Park facilities such as shelters, ballfields, and gazebo's are to be used on a first come basis. However, without advance reservation shelter use is restricted to a three hour maximum period and furthermore shelter availability is not guaranteed. For guaranteed availability of a shelter or gazebo, advance registration is required. In addition, if an individual wishes to use a shelter or gazebo for greater than two hours, advance registration shall be required. The maximum daily time period that any shelter or gazebo can be reserved for is 8 hours.

Advance reservations can be made by contacting Rolesville Parks & Recreation at 554-6582. Those groups or individuals reserving any Town facilities are required to fill out a facility use form of which is attached to this document.

The below rental fees shall apply to facilities within Town Parks requesting advance use. Reservation of the Town Community Center located at 514 Southtown Circle is handled through a separate policy. For more information, contact the Parks and Recreation Department at 554-6582.
